1 PURPOSE

The aims of this Policy are as far as is reasonably practicable to:

- (a) recognise the School's commitment to providing a fair and supportive working environment for all Staff and Contractors, and a safe workplace for all Staff, Contractors and Other People at the School;
- (b) provide a flexible approach for Grievance, Conflict and Complaint resolution which considers the individual circumstances;
- (c) recognise that Grievances, Conflicts and/or Complaints are best dealt with at the lowest level, as soon as is practicable and without unnecessary formality to prevent unnecessary escalation and to promote fairness all round for all parties;
- (d) encourage a 'speak up' and accountability culture (i.e. where participants speak up with a view to having genuine conversations to create/maintain effective ongoing working relationships);
- (e) avoid 'call out' and victim culture (i.e. where participants call out all behaviour which they do not consider meets their subjective tolerance levels or the perceived tolerance levels of others assuming bad intent, demanding a disproportionate

response with an emphasis on punishment rather than resolution); and

- (f) provide a reference and framework for the resolution of issues.
